In large quantities: Under prolonged or extreme heat, typical decomposition gases from vegetable oils and other dry matter may be released after the water phase has evaporated.

SAFETY DATA SHEET

Product: Shower Gel Base (Paraben Free)

6 - Accidental release measures:

Personal precautions:

Note that spillages present a slipping hazard.

Wear suitable protective clothing for major spillage.

Cleaning up:

Cover with absorbent material and dispose of in a suitable container.
Follow local disposal regulations for non-hazardous material.
Clean with hot water and mild detergents.

Environmental:

No known environmental hazard, but waste from major spillage should be disposed of according to disposal regulations for non-hazardous material.

7 - Handling and storage measures:

Handling:

Apply good manufacturing practice and observe good personal and industrial hygiene practices. Provide suitable equipment for safe handling of heavy packages.

Storage:

Store product in a cool, dry place. Avoid fluctuating temperatures. Protect from direct light.

8 - Exposure controls and personal protection:

This product presents no specific exposure hazards to persons or environment.

9 - Physical data and chemical properties:

<u>Appearance:</u>	Clear viscous liquid
<u>Odour:</u>	Mild
<u>pH</u>	6.5 approx
<u>Boiling point:</u>	N/A
<u>Melting point:</u>	N/A
<u>Flashpoint:</u>	N/A
<u>Explosive properties:</u>	N/A
<u>Vapour pressure:</u>	N/A
<u>Relative density:</u>	Treat as water
<u>Solubility:</u>	N/A

10 - Stability and Reactivity:

The product is stable and non-reactive in normal, foreseeable conditions of use and storage.

Conditions to avoid:

None known.

Materials to avoid:

None known.

Hazardous decomposition products:

None under normal conditions of use and storage.

11 - Toxicological information:

Not considered to be a hazardous substance.

12 - Ecological information:

No known ecological hazard.

As a sensible precaution and good practice, avoid contamination of soil, surface and ground waters.

13 - Disposal considerations:

Dispose of waste only in accordance with local/national regulations.

SAFETY DATA SHEET

Product: Shower Gel Base (Paraben Free)

14 - Transport information:

Not hazardous for air, sea, road or rail transport.

15 - Regulatory information:

Product conforms to the EU Cosmetic (Safety) Regulations 2008 plus amendments, for a cosmetic preparation.

Hazards: N/A
Symbols: N/A
Risk phrases: N/A
Safety phrase: N/A

16 - Other information:

Shelf Life: When stored as advised (para.7.) the recommended shelf life is 30 months. We recommend testing after every 3 months subsequently.

The information given relates only to this specific product. It may not be valid where the product is used in combination with any other materials or processes.

The data provided in this material safety data sheet is meant to represent typical data/analysis for this product and is correct to the best of our knowledge. The data was obtained from current and reliable sources, but is supplied without warranty, expressed or implied, regarding it's' correctness or accuracy. It is the user's responsibility to determine safe conditions for the use of this product, and to assume liability for loss, injury, damage or expense arising from improper use of this product. The information provided does not constitute a contract to supply to any specification, or for any given application, and buyers should seek to verify their requirements and product use.
