5. In case of fire:
Extinguishing Media: *Warm soapy water.*
Special precautions: *None* (water-based product).
Protective Equipment: *None Required.*

6. Spill and Leak Procedure:
Individual precautions: *None Required.*
Environmental protection: *Try to prevent the material from entering drains or water courses*.

7. Handling and storage:
Store in a cool, dry and dark place in suitable containers (plastic, plastic lined or stainless steel).
Use good housekeeping rules.

8. Personal Protection / Exposure control:
Eye protection: *Not Required.*
Skin: *Not Required.*

9. Physiochemical properties:

Appearance:	*Clear Liquid*
Odour:	*Mild Menthol*

10. Stability and Reactivity:

Chemical Stability: *Stable.*
Hazardous Decomposition Products: *None*

Toxicological Information:

Irritation: *Can cause Irritation to the skin with prolonged contact*.

11. Ecotoxicological information:

Ecotoxicity Value: *Can cause harm to aquatic life.*

Disposal Method:

Avoid contact with eyes and skin with surplus of water when disposing of. Do not empty into the drains.

12. Transport Information:

Non-hazardous material, transport in suitable containers.

13. Regulatory Information:
The British Essential Oil Association Chip Regulations – 2009

Hazard Symbols:	*None (low concentration)*
Risk Phrases:	*None*
Safety Phrases*:*	*None Required*
